

PROJECT HUNGER

2022

...for I was hungry and you gave me food, I was thirsty and you gave me drink....whatever you did for one of these least brothers of mine, you did it for me.....

Matt. 25:35

This year, during the six weeks of Lent, the Christian Service Committee will be accepting your non-perishable donations for Perinton Food Shelf, House of Mercy and Sister Regis Food Cupboard. You will find “poor boxes” in the foyer of the church and in the chapel for your monetary donations. At the end of Lent, these donations will be distributed to Perinton Food Shelf, Sister Regis Food Cupboard, House of Mercy, Linda’s Cupboard at Hope Hall, St. Joseph’s House of Hospitality, St. Peter’s Kitchen, Macedon Food Pantry, and East Rochester Food Shelf. We thank you for your yearly participation in our annual SJR Lenten Project. At this time, when the need for food is so great, we hope we can count on your continuing support once again during this Lenten Season.

REMEMBER...pennies and other pocket change add up and can buy food for a hungry family.
